Treasurer Report – Michael reported club membership at

Sun City Center POD:

There is a CERT group from Methodist church and their parking lot has been volunteered.

Drill Results:

Annual Hurricane Drill was Thursday May 19 from 9 to 11 AM.

Pictures of the drill and article on SCCARC are in the News of Sun City Center

South Bay needs to relocate Radio antenna to new location.

Denny Eilers and Bob Goldberg have contacted Loren Labrador at South Bay Hospital about where our radio location will be and where the antenna will go.

Could Loren Labrador's secretary become contact point since Loren who is the hospital's emergency coordinator doesn't answer his phone?

South Bay Hospital offered to buy radio equipment if we provide a list.

GOLF CART PARADE

There was discussion regarding the spacing and speed of the parade. The parade needs to slow down and there needs to be more spacing between the golf carts. It was suggested that the sheriff's department and the Radio Club may be able to coordinate between each and work out a plan that will slow down the parade and have better spacing so that the parade viewers can enjoy and take some pictures. Looking for more suggestions from the Radio Club and the Sheriff's Department.

PRESENTATION

Presentation by Darrell Davis (KT4WX) ARRL Section Manager for West Central Florida.
